

COLSTRUM

- **A dietary supplement to support immune system function in children and adults.***

- Colostrum supports:
 - Immune system function.*
 - Growth hormone function.*
 - G.I. tract health.*
 - Protection of the lumen of the gut from unwanted materials.*
 - Bone, muscle, nerve, and joint health.*
 - Muscle mass development.*
 - Wound healing.*
- **Our Colostrum is:**
 - 600 milligrams of bovine colostrum per capsule yielding 180 milligrams of immunoglobulins, which are antibodies that are found naturally in colostrum.
 - Collected on the first day after calving from U.S. cows.
 - Processed under low temperatures to maintain high potency.
 - Guaranteed to yield 30% Immunoglobulins per capsule.
 - Enteric coated so that the colostrum is released in the small intestine for optimal absorption.*
 - Defatted (fat free)
 - Lactose neutralized

Colostrum

- Colostrum is the first mammary secretion following birth, prior to lactation.
- Bovine colostrum is nearly identical to human colostrum and supplementation may benefit children and adults of all ages.*
- Colostrum contains factors that support growth and immune system function.* Colostrum is a rich source of immunoglobulins and proteins.*
