

SUPERIOR REDS™ (powders)

- **A delicious antioxidant drink mix supplement with ORAC berries to support immune system health.***

- **Superior Reds™ Powder is:**

- A tasty berry blend available in a 30 serving container
- Jam-packed with antioxidants
- Designed to boost energy and support the body's antioxidant defense systems.*
- Designed to provide the highest ORAC value - 5,000 ORAC units per serving!

- **About ORAC**

- ORAC stands for Oxygen Radical Absorbance Capacity, a test that measures antioxidant potency. The higher the ORAC score, the higher the antioxidant support. The average person in the U.S. consumes about 1,200 ORAC units daily. 5,000 ORAC units daily are recommended for optimal health!*

Recommended antioxidant support for:

Liver Function

- ORAC Blend, Fruit Extract Antioxidants, DMG, L-Glutathione and Milk Thistle support liver detoxification and optimal function.* They provide antioxidant support, promote the synthesis of glutathione and help to protect the structure of the outer cell membranes of the liver for improved defense against harmful toxins.*

Brain Health

- Phosphatidylserine, Flax Seed, Choline, Acetyl-L-Carnitine, Inositol and Lecithin support brain cell function and the myelin sheaths, which keep nerves healthy and functioning correctly.*

Cardiovascular Function

- Resveratrol, Acetyl-L-Carnitine, DMG, ORAC Blend, L-Glutathione and Fruit Extract Antioxidants support the cardiovascular system.* These nutrients work synergistically to protect against oxidative stress.* They also benefit circulation and support the healthy structure and function of the heart and blood vessels.*

Immune System Function

- DMG is an antioxidant and a versatile health potentiating nutrient.* Larch Tree Arabinogalactans support normal immune system function by modulating the number of immune cells present in the bloodstream and supporting normal cell replication.*

Eye Health

- Glutathione along with Lyc-O-Mato® brand Lycopene, FloraGLO® brand Lutein and Zanthin® brand Astaxanthin are potent antioxidants that support the structure and function of the eyes and reduce oxidative stress caused by free radicals.*

Supplement Facts

Serving Size: 1 Scoop (10.77 g)

Amount Per Serving

Calories	40
Calories from Fat	1
Total Fat	<1 g
